Morning Session –

- Initial introduction is to the GTN and the importance of the Environment and how the 2 programmes work
- After Coffee is a time to look at elements of the programmes – Criteria, EMS, Waste, Water, Energy, Green Purchasing, Biodiversity (6 - 2 discussed at each session with Q&A for others – can look at websites and using tools and documents and marketing – key principles)

Afternoon Session – designed for all members as an afternoon to look at what others are doing and what products and services are available locally
